

A CHRISTIAN PARENT'S

Resource List for Family Discipleship

**What You Need to Get Started
(or Get Consistent) at Home**

FAITHSTARTSATHOME.COM

To My Fellow Parents,

I'm SO glad you wanted this resource guide!

Whether you haven't started teaching/discipleship time with your family yet OR you are struggling to stay consistent, don't worry. It doesn't have to be complicated!

Your main resource is - and always will be - the Bible, and that should be your guide in every teaching and conversation you have with your family.

This resource guide serves to provide you with resource ideas if desired or needed. It only contains 4 recommended resources to get you started or to get you back on a consistent track. You pick and choose based on your and your family's needs.

Each resource covers one main component of family discipleship: Scripture, Catechism & Prayer. The other is simply a parent help if needed (but it definitely IS a help if you are uncertain how to use the Bible to teach your family!)

Please email me at Tara@FaithStartsatHome.com if you have any questions or need help in any way!
